Subject: FW: Pentagon Park Shared Calendar

Hi everyone,

As discussed earlier this week, I have arranged for a public calendar to be created so that both Planning and TIF functions can be tracked for the Pentagon Park project. This includes public meetings (i.e. Planning Commission and City Council Meetings), as well as other meetings between City of Edina Staff and consultants and the Pentagon Park Redevelopment team (such as TIF Planning meetings). If you have meeting scheduling requests or questions, please see below for the email account to respond to, and you also can call either Katie or me with any questions. The schedule is easy to access; just follow the prompts below from Katie's email.

The people that I have copied on this public schedule are as follows:

Bill Neuendorf Economic Development Manager City of Edina (952)826-0407 Office

Mark Ruff Senior Financial Advisor, Ehlers (651)697-8505 Office

Nick Anhut Financial Specialist Ehlers (651)697-8507 Office

Heather Burns Senior Valuation Analyst Shenehon Company (612)767-9440 Office

Bob Strachota President Shenehon Company (612)333-6533 Office

James Nelson President Eberhardt Advisory (612)201-7135 Cell

Cary Teague Community Development Director City of Edina (952)826-0460 Office

Tony Gleekel, Siegel Brill Law Firm (612)337-6127 Office

Charlie Nestor, Development & Leasing Manager Hillcrest Development, LLLP (612)623-2475 Office

Scott Neal City Manager City of Edina (952)826-0401 Office

Thanks!

Scott

Subject: Pentagon Park Shared Calendar

Greetings everyone,

To help keep everyone abreast of the dates and times of upcoming events, we have created a shared calendar. Here is how you can access the calendar:

Website: <https://www.google.com/calendar/>

Username: PentagonParkPublic@gmail.com

Password: PublicCalendar (case sensitive)

All relevant dates and times of meeting will be added to the calendar by a facilitator. You can click on any event to see the topic, location, and attendees. If you have an event to add to the calendar, please do

not try to add it directly, but instead email event details to the Calendar Account, PentagonParkPublic@gmail.com. We can then make sure these get added in the correct format to the calendar.

Thanks everyone!
